

Take It, Make It Rainbow Heart

Make a rainbow in a heart and add beautiful butterflies to create a colorful message of love.

Supplies

- pre-printed heart paper
- butterfly cut outs
- crayons, markers, and/or colored pencils
- glue

Instructions

- Take your pre-printed heart and color it a beautiful rainbow.
- Color the letters You Are Loved.
- Glue the paper butterflies to your artwork. You can bend the wings to make the artwork look more three-dimensional. Some of the butterflies are plain white, so you can color them to match the rainbow colors of your heart.
- You now have a pretty rainbow heart with fluttering butterflies.

Send a photo of your project to mycreation@skokielibrary.info and we may feature it on social media.
