The screenshot shows a music player interface with a playlist. At the top, there is a header for the song "Dreams" by Van Halen, featuring a glowing orb icon, a music note icon, and a three-dot menu icon. Below this is a horizontal strip of album covers with the text "PLAYING FROM Unknown album". The playlist contains three items, each with an equals sign icon on the left and a three-dot menu icon on the right:

- Dreams** by Van Halen (album cover: glowing orb)
- Free Ride** by Dan Hartman • 7:02 (album cover: hand with sunglasses)
- Shut Up and Dance** by WALK THE MOON • 3:19 (album cover: three people in white shirts)
