Use Instagram to Share Your Love of Food

Tuesday, November 6 at 7 pm
Book Discussion Room

Combine your love of food and photography using Instagram. Learn to use a 21st-century method to share recipes, find meal tips, and tempt your friends' taste buds. Bring your own device to the program and learn how you can enhance Instagram images. Limited to 10 participants.

MICROSOFT OFFICE 2016

Classes are held in the Computer Classroom. Attend any three Microsoft Office classes and receive a Certificate of Learning for Microsoft Office 2016. Basic mouse and keyboarding skills are needed.
