

Around the World (in Fewer Than 80 Days)

Embark on a global journey this summer using some of these activities.

- Use Mango languages to learn a new language
- Global kitchen: Try a new recipe from another country
- Read a book in another language or one that's been translated from another language
- Travel tales: Exchange your travel stories with someone
- Global film/TV: Watch an international film or television series
- World music: Listen to music by international artists
- Read a book or short story that takes place in another country
- Visit a cultural food market nearby
- Global games: Play a fun game from another country with a friend
- Virtual travel: Take an online or video tour of famous landmarks, museums, and cultural sites around the world
