Space Crew Paper Doll

How can you find an imposter in your space laboratory? Now you can bring your crew members out of the screen and into the real world with paper dolls.

Supplies

You will need:

- Paper or cardboard
- Crayons, markers, or colored pencils
- Scissors
- Glue or sticky tape

Instructions

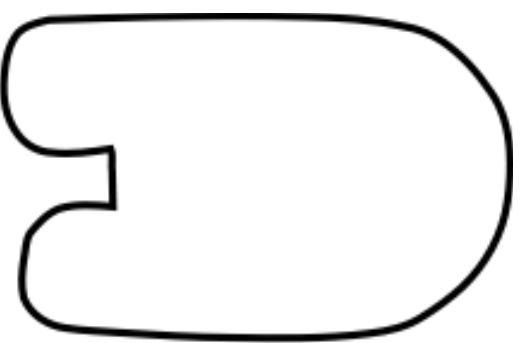

- Draw the shape of a crew member. You can either print out the drawing provided or trace the shape onto your paper.
- Color the shapes. If you are using colored paper, you can skip this step.
- Cut out the shapes with scissors.
- Use glue or sticky tape to stick the shapes together to create a crew member.
- You can use the shapes provided to dress the crew member with different types of hats or draw your own.

Want to explore more?

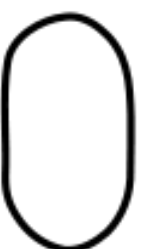

Space suits are an important piece of technology that keeps astronauts alive when they conduct science experiments and equipment maintenance in space. To learn more about space suits, visit [nasa.gov/feature/spacewalk-spacesuit-basics](https://www.nasa.gov/feature/spacewalk-spacesuit-basics).

What will you learn today?

Send a photo of your project to mycreation@skokielibrary.info and we may feature it on social media.
