

TEENS IN ACTION

MAKE A DIFFERENCE: ATTEND

Attend one or more of these events, and we'll keep track of participation through sign-in sheets.

Event 1: Take Part in a Climate Café

Teens and older adults are invited to this intergenerational dialogue about the climate crisis. The discussion will be moderated and resources will be provided by Lissa Sangree-Calabrese of The Talking Farm. We may talk about access to nature, the state of the world for future generations, and climate equity, among other possible topics.

Event 2: Create Art for Change

Come to the library and make art inspired by your connection to nature, Mother Earth, and the climate around your community.

Take a picture of your painting, collage, drawing, or sculpture and we'll help you upload it to the Extraordinary Earth Challenge. Your art may provide money to the Bezos Family Foundation to help the climate crisis. [Explore more at Student Rebuild website.](#)

Event 3: Volunteer with Skokie Parks

The Skokie Park District has a monthly volunteering event where participants help to remove invasive plants, plant native flora, collect and scatter seeds, and pick up garbage. Your service helps conserve your community's green spaces! These programs are outside. Please wear clothing that can get dirty and wrap up warm.

Saturday, March 16, 10 am - 12 pm

Channelside Park, 3220 Oakton St. Meet in the Dammrich Rowing center parking lot.

Saturday, April 20, 10 am - 12 pm
