MAKE A DIFFERENCE: ATTEND

Attend one or more of these events, and we'll keep track of participation through sign-in sheets.

## Event 1: Take Part in a Climate Café

Teens and older adults are invited to this intergenerational dialogue about the climate crisis. The discussion will be moderated and resources will be provided by Lissa Sangree-Calabrese of The Talking Farm. We may talk about access to nature, the state of the world for future generations, and climate equity, among other possible topics.
