

Getting Started with Summer Reading

Summer Reading 2024 isn't all about books!

Grab a log and jump in with our easy and fun activity suggestions.

Ideas for Middle and High School Students

- Volunteer with the library (see the library volunteering page)
- Try a type of book that's outside your comfort zone
- Write your friend a kind letter (we have supplies in the Teen Room)
- Complete one hour of Teens in Action (see the library volunteering page)
- Draw or design your favorite character (book, film, TV, manga, etc.)
- Attend a summer library event
- Read a book from the Hot Summer Reads list
- Ask a teen librarian what their favorite book is, and why
- Go for a walk through a Skokie park and spot one native plant (see a full list: www.skokieparks.org/native-skokie-parks)
- Take one activity you were planning to do inside, and do it *outside* instead
- Use the Studio to create something cool
